

CVSTOS

THE TIME KEEPER

LIMITED EDITION 30 PIECES

THE ALLIANCE OF TIME AND TASTE

Barajas and Cvstos are more than brands; they embody the legacy of passionate families, now led by the second generation. Fueled by years of learning and a dedication to excellence, they have gone beyond their heritage to shape their own unique vision. This collaboration pays tribute to their roots, the countless hours spent perfecting their craft, and the boldness it takes to forge their own path.

This partnership is not simply about merging watchmaking and tequila—it's about creating a dialogue between tradition and modernity. The timepiece draws inspiration from the iconic Barajas bottle—its sculpted curves, delicate engravings, and emblematic patterns—subtly woven into the watch's design. The chosen tequila, an extra añejo aged four years in bourbon barrels and refined for another year in sherry casks, embodies the patience and precision of time well-mastered.

This alliance goes beyond craftsmanship. It's a celebration of time in all its forms—the time we measure and the time we savor. Where the watch counts the beats of a lifetime, the tequila captures the fleeting moment. Every detail, every finish, every flavor invites you to slow down, reflect, and appreciate the rarity of the present moment. A creation where time becomes an experience, and every second and every sip tells the story of shared excellence.

CHALLENGE JETLINER PS/BLUE STEEL
5N COMP/TEQUILA BARAJAS/LTD 30 PCS

TECHNICAL DATA SHEETS

Calibre : In-house calibre CVS410.

Self-winding mechanical movement.
