## **CVSTOS & BREEL EMBOLO**

**CVSTOS is proud to announce the appointment of the Swiss national team player Breel Embolo as its new brand Ambassador and creates a Metropolitan PS Sapphire Swiss Edition limited to 2 X 26 pieces.**

### **The champion's watch**

Precision, performance and talent are the common denominators present in both athletic success and Haute Horlogerie. These key values are reflected in the latest partnership between CVSTOS and its latest ambassador, Breel Embolo. They also served as guidelines to create a limited edition timepiece.

### **The Swiss Striker**

CVSTOS is pleased to reveal an exciting new partnership with the Swiss international soccer player, Breel Embolo. Nicknamed "The Swiss Striker", the 25-year old has just joined the famous AS Monaco Club for the next four seasons and will undoubtedly be a player to follow on the world stage.

### **A tribute to football**

Driven by the friendship between of CVSTOS' founder, Sassoun Sirmakes and Breel Embolo, the idea of a partnership flourished last April during Breel Embolo's visit at the CVSTOS annual watch exhibition in Geneva. Breel Embolo was totally fascinated by the Metropolitan collection. Based on a mutual appreciation of their respective professions, and a common love for football, the Swiss team striker became the first ambassador to wear a personalized Metropolitan sapphire crystal watch with a stunning red skeleton movement and a matching strap.

### **On time for the FIFA World Cup Qatar 2022**

The forceful character of the sapphire case fully resembles the hardness of a diamond. Thus, the new Metropolitan line expresses itself through an urban chic design, highlighting the beauty of its transparency to offer a trendy style. The bright red of the dial and bracelet is reminiscent of the colour of the Swiss national flag, which symbolizes the power, passion and perseverance shared by both the athlete and the Brand.

A limited series of 52 pieces will be produced (a meticulously considered number that will represent 2 X 26 cantons) in honour of Switzerland.
